## NEUROSURGEON TO SPEAK AT MEMORIAL LECTURE

LOUIS BAKAY, Professor and Head of the Division of Neurosurgery at State University of New York, will present the Dr. L. P. Mousseau Memorial Lecture this year.

His topic will be "The blood-brain barrier: Its theory and clinical utilization," a concept considered directly responsible for the development of diagnostic radioactive brain scanning and for the use of antibiotics as treatment for infections of the nervous system.

Dr. Bakay received his medical schooling at the University of Budapest. He trained and worked at hospitals in Hungary and Sweden before immigrating to the United States in 1948. In addition to his university appointment, he is the head of neurosurgical services and departments at four New York hospitals and a consultant to two.

The memorial lectures have been held annually for the past 10 years, under the joint sponsorship of the Edmonton General Hospital and The University of Alberta. The late Dr. Mousseau joined the hospital staff in 1934 and was named chief of the medical staff in 1952. At the University, he was an assistant professor of surgery and served two three-year terms on the Board of Governors.

The 1972 lecture will be held Wednesday, October 18 at 8:30 p.m. in TL-11 of the Henry Marshall Tory Building. The public is invited.

## AGENDA FOR GENERAL FACULTIES COUNCIL MEETING

*The following agenda has been received from MRS. MARGARET MIDGLEY, Secretary to the General Faculties Council.*

There will be a Special Meeting of General Faculties Council on Monday, October 16, 1972 at 2 p.m. in the Council Chamber, to debate whether members of the University of Alberta Campus Security Force should have special constable status.

Resolutions from the Campus Security Service Policy Committee:

1. that the University withdraw its present request with the Attorney-General for special constable status for the members of its Campus Security Force;
2. that the Campus Security Force be renamed the Campus Security and Traffic Services;
3. that the Campus Security and Traffic Services come under the purview of the Director of Physical Plant.

*Woyzeck (LEFT) comes out second best in his quarrel with the Drum Major in "Woyzeck," a tragedy by Georg Buchner. The 26-scene play will be performed by "Die Brucke," a German ensemble whose members are drawn from the principal professional theatres of Germany. The group is presently on tour under the auspices of the Goethe-Institut. "Woyzeck" is scheduled for Monday, October 16 at 8:30 p.m. in the Students' Union Building Theatre. Tickets are \$3.50 (\$2.50 for students) and may be obtained at the Department of Germanic Languages, 206 Arts Building, telephone 432-4144. English synopses of the play will be available at the door.*

## TASK FORCE ON TENURE

The Senate Task Force on Tenure is presently preparing an interim report to be presented at the November 17 meeting of the Senate.

FIL FRASER, Chairman of the committee, invites opinions from members of the University community and from people not associated with the University.

The goals of the committee, says Mr. Fraser, are "to discover the *public* mind on the subject of tenure, and to channel the public's responses back to the University community."

Written suggestions may be sent to Mr. Fraser, addressed to the Office of the Registrar, 201 Administration Building, The University of Alberta. Suggestions also may be made by telephoning BILL THORSELL, Executive Officer of the Senate, at 432-4180 or 432-3723.

## VISITORS

■ Recent visitors to the Department of Physics and the Institute of Earth and Planetary Physics have been: C. G. FALTHAMMAR, Director of the Institute for Plasma Physics of the Royal Institute of Technology in Stockholm, Sweden; L. ROSSBERG, research space physicist at the Max Planck Institut fur Stratofar Physik in Harz/Lindau, West Germany; B. J. FRASER, visiting Fellow at CIRES University of Colorado; and J. KONOPKA of the Polish Academy of Science Physics Institute, Warsaw. M. W. MC ELHINNY, Senior Fellow at Australian National University in Canberra, is presently spending three months with the Geophysics Group of the Department of Physics at the invitation of D. I. GOUGH, Professor of Physics. Dr. McElhinny is a world-renowned authority

in the field of paleomagnetism and continental drift, and is author of the forthcoming book *Paleomagnetism and Plate Tectonics*.

■ E. BURCIK, Professor of Petroleum Engineering at Pennsylvania State University, presented a seminar to the Department of Chemical and Petroleum Engineering.

## PEOPLE

■ The recent Workshop on Electromagnetic Induction held at the University of Edinburgh in Scotland was attended by J. A. JACOBS, Killam Memorial Professor of Science, who was the after-dinner speaker at the conference banquet, and Professors D. I. GOUGH, F. W. JONES, and D. RANKIN, all of the Department of Physics.

■ The International Union of Pure and Applied Physics held its triennial General Assembly September 20 to 25 in Washington on the occasion of its 50th anniversary with 121 delegates from 37 member countries in attendance. During the Assembly, D. D. BETTS, Director of the Theoretical Physics Institute, was elected for a three-year term as Chairman of the International Commission on Thermodynamics and Statistical Mechanics.

■ BEN TARVER, Professor of Drama, has been asked to serve on the Government of Alberta's Advisory Film Committee that will investigate and recommend possible ways to encourage feature film production in the province. The committee of five will be from the private, university, and government sectors, under the chairmanship of C. N. ROSS, Director of Photographic Services, Bureau of Public Affairs.

## NOTICES

### NEW CONCERT SERIES

With "Explorations," the Department of Music has organized four musical events during the 1972-73 season that will cover a wide spectrum of media and styles.

Each program involves a variety of performing groups and offers a diversified repertoire. Faculty members and students will participate and there will be guest artists.

Among the performers will be The University of Alberta String Quartet (THOMAS ROLSTON and LAWRENCE FISHER, violins; MICHAEL BOWIE, viola; CLAUDE KENNESON, violoncello); The University of Alberta Concert Choir conducted by DAVID STOCKER; pianists ERNESTO LEJANO, HELMUT BRAUSS, ALEXANDRA MUNN and ISOBEL ROLSTON; MERLA AIKMAN, mezzo-soprano; BERNARD TURGEON, baritone; MALCOLM FORSYTH, trombone; JOHN ILTIS, French horn; and the Collegium Musicum under the

direction of DALE MC INTOSH. ALFRED STROMBERGS will conduct the instrumental and vocal groups.

Details of the program for the first concert, on October 15, are given in "This Week and Next."

### SERIES ON ALCOHOL AND DRUGS

The Department of Extension, the Alberta Alcoholism and Drug Abuse Commission, and the Edmonton Public Library are co-sponsoring a lunch-time film/discussion series on alcohol and drugs. The series will be held in the auditorium of the Public Library for six Fridays from 12:15 to 1 p.m., beginning October 13.

The series will be free and participants are asked to bring their lunches. Each film of about 20 minutes in length will deal with some aspect of the subject and will be backed up by a resource person to initiate audience discussion.

### OPEN ON SUNDAYS

The Physical Education and Recreation Centre will be open between 10 a.m. and 5 p.m. on October 15 and on Sundays for the rest of the academic year.

### WOMEN'S PROGRAM CENTRE

Registration is still open for the Women's Program Centre course "Talking about women." Interested persons should feel free to register now even if they have missed the first few evenings. Meetings are held every Tuesday evening at 8 p.m. in Room TL-11 Henry Marshall Tory Building and registrations are accepted there before the program begins.

### EDUCATORS SEMINAR

Seminars promoting two-way communication between the representatives of the province's high schools and the University have been found to be extremely useful in recent years.

This year an "Educators Seminar," co-ordinated by the University and the Northern Alberta Institute of Technology (NAIT) has been planned for October 18 to 20 at the NAIT Auditorium. The University of Alberta is responsible for the day-long part of the program on October 20. The main theme for the presentations by faculties and schools will be "Trends for the future." Representatives from The University of Calgary, The University of Lethbridge, and the affiliated colleges also will be participating in the program.

### PUBLISHER TO VISIT EDMONTON

J. L. VERBECK, Publications Manager of D. Reidel and Co., (Holland) will be in Edmonton October 17.

Reidel is a leading world publisher of books and journals in the fields of astronomy, geophysics, and philosophy and is presently expanding its activities in these and other academic fields. Dr. Verbeck will be glad to discuss possible publishing projects with
